Volume 02, Issue 13: Don't Settle for Less

Aim higher as the new year approaches. You may have struggled this year, but that doesn't mean you should lower your expectations for times ahead.

Don't just ask for your needs, ask your dreams. Ask for your goals. Ask for the secret petitions of your heart.

God has blessings stored up for those who honour him. Pray God-sized prayers, and expect God to show up in a great way.

It is good to ask for our needs, but go a step further and ask for your dreams. Be bold enough to ask for the secret desires of your heart.

Expect to see the fullness of what God has in store for you, to overcome every obstacle, defeat every enemy, and become all that God destined you to be.
